Admiral Stansfield Turner
Director of Central Intelligence
Central Intelligence Agency
Langley, Virginia

Dear Admiral Turner:

Over the past year we have spoken of the desirability that diverse points of view be fostered in the Intelligence Community and be expressed in its products.

Would it be possible for you to send me some kind of evidence on how diversity has fared in recent months? Would a comparison of the instances in which parallel text was published in National Estimates in 1976 and in 1978 be a reasonable index?

Sincerely,

Malcolm Wallop
